ABOUT
Young Professionals in Transportation (YPT) is an international 501(c)(6) nonprofit coalition of organizations, which helps professional development, fellowship, and networking for young professionals in the transportation field.

MISSION
YPT's mission is to provide career guidance, fellowship, and networking opportunities for young professionals in the transportation field. We are the future of transportation.

Professional Development
A regular series of seminars, technical tours, and other opportunities from leading individuals or teams in transportation.

Fellowship
An ongoing forum for mutual support and interaction among young transportation professionals, especially for those starting their careers.

Networking
Events to help young professionals advance their careers and share innovative ideas.

WELCOME
Each year, Young Professionals in Transportation provides an Annual Report to highlight our many successes over the past twelve months. This document serves to celebrate the accomplishments of our Chapters and the organization as a whole. In 2016, we experienced a significant increase in our membership and have taken on several new members on our Board of Directors. YPT has pursued new outlets through its support of Transportation Camps across North America, and we've been crucial to the success of many professional development events – and a few fun events to boot, like our annual Young Professionals Reception and YPT Awards at TRB.

We continue to give our Members a fun and unique opportunity to connect and celebrate their passion and innovation in the field of transportation. Above all, the strength of YPT comes down to the people we meet and the connections we make. We look forward to working together this year and next to ensure these opportunities and successes continue.

Sincerely,
Your YPT Board of Directors

Meet your new 2017 - 2018 Board of Directors!

We are so appreciative of all of our International sponsors for their generous support over the past year. We couldn’t do it without you!

This past year, YPT was fortunate to partner with a number of large and small companies and agencies. We are excited about the growing support! YPT relies heavily on our sponsors and our sponsorships allow us to keep our membership rate low for young professionals.

If your organization is interested in sponsoring YPT, please contact:

The numbers shown below are representative of the 2016-2017 YPT International Fiscal Year. Distributions equate for the amount of total chapter payouts, which are given quarterly throughout the year. The net revenue is a combination of both the total revenue and the total expenses. The net income is a combination of the total revenue minus the total expenses. The net assets is a combination of both the total assets and the total liabilities.
Since our first event in February 2015, the quantity and quality of our events has grown and continued a very large roster of events: hikes, game nights, a trivia contest, a scavenger hunt, and introducing members to opportunities and current events like the presentation where 30+. This past year, YPT Vancouver hosted several events including new additions including Eric Tam as Vice-Chair of Administration and Mona Dahir as Vice-Chair of Finance.

The 2016/2017 term was a great year for YPT chapters and introducing members to opportunities and current events like the presentation where 30+.
